MAGIC MOMENTS

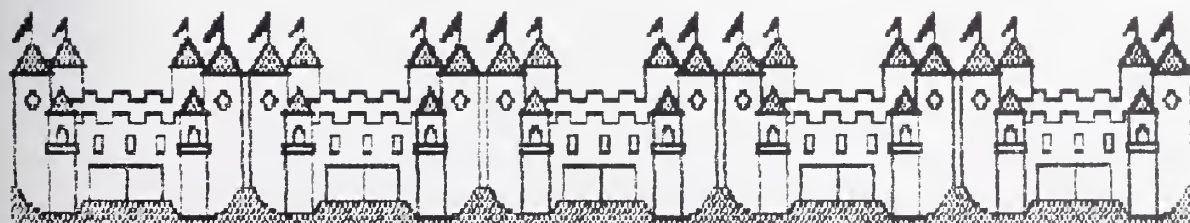

Magic Moments in our lives have been colorful. Each of us have experienced them in our own unique way.

A magic moment for some of us could have been the wonder of our very first day in Kindergarten, a traumatic experience for some and an adventure for others.

Our first day of grade seven was magical in that we now were expected to THINK and make DECISIONS for ourselves. Wow! Some of us probably thought that this was an IMPOSSIBLE task. However, for some of us the magic of growing up has helped us accomplish these skills. Although we make mistakes we are continually moving from childhood to young adulthood.

Now the magic of GRADUATION is near. An event that is special to all us because it is a turning point in our lives. We will leave Berkley Community School and go our separate ways.

Dedication

THE CLASS OF 1991 WOULD LIKE TO DEDICATE THIS YEAR'S YEARBOOK TO MRS. HOWARD FOR STARTING THE PEER LEADERSHIP GROUP, BEING OUR YEARBOOK ADVISOR, BEING THERE TO TALK TO WHEN WE NEEDED SOMEONE, AND JUST FOR BEING OUR SCHOOL NURSE.

To The Class of 1990

To you, the second class to graduate from the Berkley Community School, I wish to extend my thank you for your help and patience through out your school years. You have attended in less than desirable facilities, some crowded conditions, and during the building process.

We in Berkley are sending forth a good group of young people. Congratulations on your achievements to date.

Set high goals, work hard and take advantage of every opportunity. Make your family, your school and your town proud of you!

My very best wishes for great success.

Russell F. Latham
Superintendent of Schools

As you prepare to begin your high school years, don't forget the opportunities for learning that were provided to you in Berkley. Make the most of your high school experiences. With your continued effort and motivation you will become responsible citizens ready to make an impact on tomorrow's society. Congratulations!

ACTIVITIES

Spirit Day

Our annual Spirit Day was held on Jan. 26, 1990. A trophy was awarded to the 5th grade class for scoring the highest points in the events scheduled for the competition. The students were judged in the following events: foul-shooting, crazy costume, school colors, etc. . . .

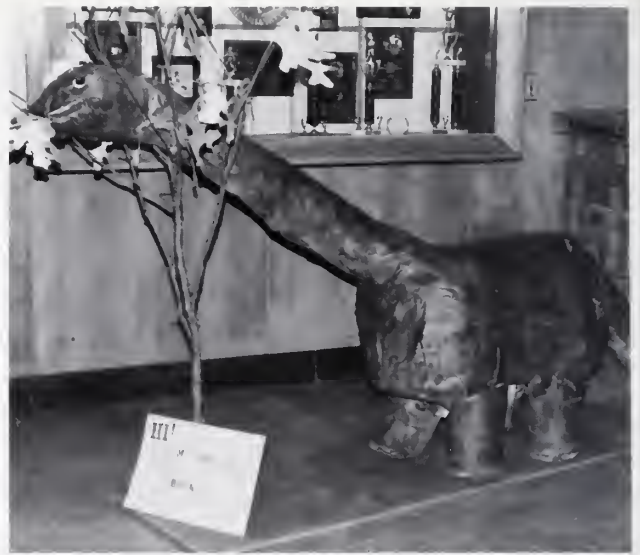

Student Council/Peer Leaders

Student Council (top left) and the Peer Leader Group (remaining photos), have provided extracurricular activities, support and assistance to the students of our school.

Web Of Life Program

As fifth grade students we took part in an environmental education program, known as the Web of Life Program. This program was conducted by Dave Wiley. Each month a specific topic relating to the ocean environment was presented.
